

MARCH EVENTS: LGBTQIA2S+

Are you a person in recovery or a recovery ally?
Do you identify as LGBTQIA2S+ or as a committed ally?

If so, join us for this month's World Recovery Café,
to engage in meaningful dialogue to shape the future of our communities.

World Café 12-3pm
Sunday 3/10

Following Recovery Cafés 11am-12pm
Fridays 3/15, 3/22, 3/29

World Recovery Café honors the role of food in identity and belonging,
bringing groups together through shared meals and creative discussion.

Bring your favorite recipes, the courage to cook together, and your recovery
narratives to include in the first World Recovery Cookbook.
Your voice matters, and we would love to hear it!
